ISLE ROYALE MINIMUM DIVING EXPERIENCE ASSURANCE

I _____ recognize that Scuba diving at Isle Royale has additional risk factors of depths at the limits for recreational diving, cold water, an overhead environment, and potentially dry suit buoyancy control. Unless arranged through an independent Scuba instructor or dive master, all diving is without underwater supervision. Therefore, I acknowledge the need for some minimum experience requirements and truthfully meet the following minimum diving experience:

- _____ I have successfully completed at least either 30 open water dives, or 20 open water dives with an Advanced Open Water Certification (or equivalent).
- _____ I have successfully completed at least 5 cold water dives. (Great Lakes, quarries, lakes, of cold ocean diving)
- _____ The maximum depth of my logged dives is at least 60 feet.
- _____ If I am using a dry suit I have either logged 5 dives using a dry suit or I have completed a dry suit course and have logged 3 dry suit dives.
- _____ I understand if I do not meet the above minimum requirements, I will be limited to a maximum depth of 80 feet and will not be permitted to participate in the deeper dives.

I have been a certified Scuba Diver since: _____, and have been diving for :_____ years for a total of :_____ divers to a maximum depth of :_____ feet.
